

THE COORDINATOR'S CORNER

August 2013

This is my second update for WBS Coordinators. I hope you find it useful, and that you will share it with your teachers. Please let me know if there are topics you would like to see covered here. Now to the news....

REFERRAL STUDENT INSERT

Have you ever seen or used this Referral Student Insert (actual size is 8 ½" X 3 ½")? It is designed to be sent with the Intro lesson to a new referral postal student. The idea is that you fill in the name of the person who referred the student to you (in the blank on the top of the front side). That way your new referral student will know who sent their name in, and they will also see a description of the upcoming lessons in the Master Series. Some churches find that this personal touch helps increase retention among referral students. You can order Referral Student Inserts (free of charge) from the WBS Cedar Park office.
