

# THE COORDINATOR'S CORNER

June 2014

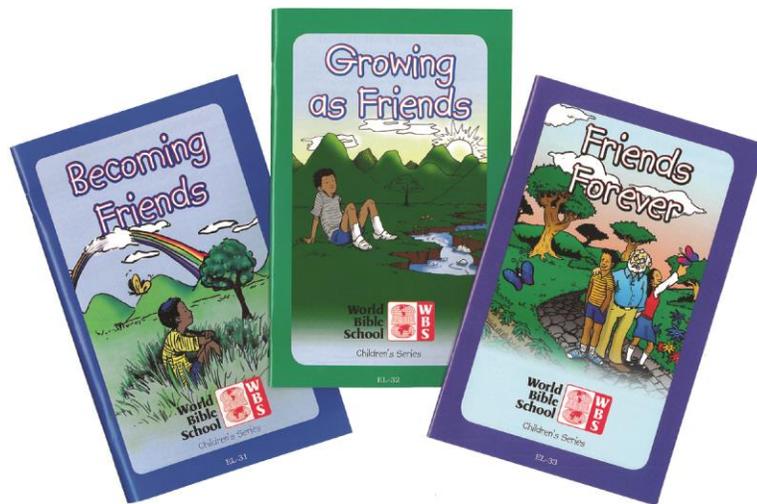

## SCANNING UPDATE

In the last Coordinator's Corner I talked about scanning as a way to receive your Zimbabwe postal lessons much faster than through regular mail channels. Since then we have had over 20 congregations sign up to use scanning. We are excited to see them begin to receive their student lessons much faster, and to see how they can improve their overall teaching program as a result.

If you would like to know more about scanning give me a call at 800-311-2006.

## WBS CHILDREN'S SERIES

Have you ever received the name of a new postal student who is very young, perhaps too young to benefit from studying the Master Series? What should you do in a case like this? Send them the three-booklet Children's Series. This series, written for children ages 8-12, teaches younger ones about God, heroes of the Bible, and important Biblical lessons at a level they can understand.

The Children's Series booklets include:

- BECOMING FRIENDS: Stories about the creation, and making good choices for God
- GROWING AS FRIENDS: Stories about Abraham, Joseph, Moses, Samuel, David and Elijah
- FRIENDS FOREVER: Stories about Jesus that lead to eternal life

We have the Children's Series booklets in stock. Call Cammy at 877-393-0211 to place an order.

## HOW CAN MY CONGREGATION SUPPORT WBS?

There are many ways your congregation can get involved. First, pray for the WBS ministry. Pray for students around the world who are learning God's will by studying WBS lessons, and pray for Christians who are helping and encouraging them along the way. Second, get your members

involved as WBS teachers. Whether as postal or web teachers, they will experience the joy of sharing the Gospel with those who have asked to receive it. Third, include WBS in your church's budget. Your financial gifts help WBS send the Gospel message to people around the world. Not sure what is the right role for you and for your church to play? Give us a call at 800-311-2006 to talk about it. We'll be happy to share ideas for your consideration.
