
THE COORDINATOR'S CORNER

December 2015

As we approach the holiday season and prepare to wrap up another year, we would like to thank all of you...for several things. Thanks for your love of the Lord and his church, for your desire to share the Gospel with those who need to hear it, and for giving us the privilege of working alongside you in this amazing outreach effort.

From the World Bible School Staff...*Merry Christmas and a blessed and happy New Year!*

POSTAL PROGRAM GUIDE REVISION UNDERWAY

The WBS Postal Program Guide is our handbook for how to set up and operate a WBS postal teaching program. Available for download and printing at www.worldbibleschool.net/resources, the PPG includes step-by-step instructions on how to prepare WBS booklets for mailing, instructions on how to grade lessons, tips for interacting with and encouraging students, information to share with church leaders considering a new WBS program and much more.

We are currently revising the PPG, and would love to consider your ideas on how to make it better. If you have suggestions, please send them to me (bill@worldbibleschool.net) by January 15th. Take this opportunity to help us make the PPG as useful and easy to use as possible.

INVOLVE YOUR YOUNG PEOPLE

You know the value of using WBS to share the Gospel. You know how it can change lives. And you want to share the experience with others in your congregation. In seeking others in your church to get involved with your WBS teaching program, don't overlook your young people. Getting them involved can show them a great way to share Jesus in a meaningful way. Young ones can help prepare lessons for mailing, write notes to students, work with experienced study helpers as they communicate with students and pray for students and study helpers. Find ways to introduce your young people to WBS. They are the next generation of this ministry.

DID YOU KNOW...?

- Christians have used WBS lessons to share the Gospel with over 30 million people since 1973
- At any given time, between 1 million and 1.5 million people are studying WBS lessons
- Year after year, the USA has more WBS web students than any other country

WANT TO TEACH POSTAL STUDENTS IN MORE COUNTRIES?

You can find postal students from a variety of countries on the "Student Board" on the www.worldbibleschool.org website. (Just before I wrote this I saw 40 postal students from 18 different countries on the Student Board.) To adopt these students, begin by registering as a teacher at

www.worldbibleschool.net/teach . Then follow the email instructions we send you to access the www.worldbibleschool.org website. Then go to the Student Board to adopt postal students.

UPCOMING EVENTS
