## NEW WBS STUDY BOOKLETS AVAILABLE SOON!

We are happy to announce the addition of two new study booklets to the WBS toolbox. The first, entitled *Lord Teach us to Pray*, uses the example and teachings of Jesus to help the reader appreciate the awesome power of prayer. The second, *Test the Spirits*, compares Biblical miracles with modern-day claims and discusses how to tell the difference. Both contain 13 lessons and are suitable for use by WBS students who have completed the Master Series, and in Bible classes or small groups. Each booklet costs 50 cents. We expect to take delivery of these new booklets in the next few weeks.

## MORE WAYS TO USE WBS

Is your congregation planning to hold a Fall Festival or a Trunk-N-Treat event this Fall? If so you can offer the attendees a free Bible study by giving them a handout that looks like this one. We can help you create these handouts with your own unique URL (website address) on it so that people who sign up will be assigned to your congregation. That way one of your members can be their study helper and encourager. Please consider using this handout as one more way your members can be about the business of sharing the Good News of Jesus with those they come in contact with.

## FOLLOW-UP PARTNERS NEEDED

One of the most important (and sometimes most difficult) parts of WBS teaching is following up with students who want to be baptized. Through our network of trusted contacts around the world, we strive to help study helpers connect their students with someone who can help them obey the Gospel. In some areas we are well represented and can often provide quick, reliable follow-up. In others our ability to respond is more limited. In some places we have no representation at all.

To make WBS follow-up efforts more effective, we are always looking for Christians willing and able to serve as volunteer WBS Follow-Up Partners (FUP). Being a FUP involves either going personally to assist a student who has requested follow-up (in your city, state, country, or whatever geographic region you specify), or being responsible for connecting that student with a trusted Christian you know in their area who can help them.

If you can serve in this vitally important role (either stateside or overseas), or want to learn more, go to [www.worldbibleschool.net/followup](http://www.worldbibleschool.net/followup) or call Edie Connel at 325-676-4819.
